# APOSTLESHIP OF PRAYER

Fr. James Kubicki, SJ

Father Kubicki is heard daily on Relevant Radio, 950 AM, at 6:25 in the morning.

For the past 150 years, The Society of Jesus has conducted a program called "The Apostleship of Prayer". The Apostleship encourages Catholics to pray and provides support for our prayers through mailed materials, radio talks and a web site: [www.apostleshipofprayer.org](http://www.apostleshipofprayer.org). Consider going on line and joining the Apostleship.

Father James Kubicki heads the organization. To contact the Apostleship by mail or phone: APOSTLESHIP OF PRAYER, 3211 South Lake Dr., Suite 216, Milwaukee, WI 53235. Phone (414) 486 1152.

The apostleship encourages us all to pray the Daily Offering Prayer:

O Jesus, through the Immaculate Heart of Mary, I offer you my prayers, works, joys and sufferings of this day in union with the Holy Sacrifice of the Mass throughout the world. I offer them for all the intentions of your Sacred Heart, the salvation of souls, reparation of sin, and the reunion of all Christians. I offer them for the intentions of our bishops and all the Apostles of Prayer, and in particular for those recommended by our Holy Father this month.

## ANNUAL FREE THROW CONTESTS NEED YOU!

Junior High kids from the schools in Mokena will compete in a free throw contest on Saturday the 13th of February. The contest is divided by age and gender so that there are a lot of separate contests to judge. For each contest a knight serves as score keeper and another serves as judge. Needless to say, scorekeepers and judges are needed—wear a KC shirt! The contests are judged using printed forms that provide the necessary rules. Come and help with this! The kids bring their parents so that there is usually a good turnout. Join Tim Cosgrove at 10 AM on February 13 in the St Mary School Gym. The whole thing takes about two hours. District and Regional contests will follow.

## THE SPELLING BEE

The annual Local K of C Spelling Bee will be held the evening of Thursday February 11. This annual event produces a winning school and first, second and third place winners who then advance to the regional spelling bee in March. The Knights of Columbus State Spelling Bee then occurs in Springfield in April.

The winning school displays an award plaque that presently hangs in Mokena Junior High School.

Competition traditionally has been between St Mary School and Mokena Junior High. Come to the Art Room of St Mary School on Thursday February 11 at 7:00 PM to root for your favorite speller. The event takes about an hour and usually fills the room with families watching the event and supporting their children.

## BUSINESS CARDS

Some of our brothers have expressed an interest in knowing what other knights do for a living. If you have a business card, send one in. This news letter will be published in the near future with a display of the cards and notes. We still have the cards from last year. This is intended as a service to all, and not as advertising. It will help all of us to know each other better. Send the cards to: Joe Sluis, 11533 St Vincent Ct., Mokena, IL 60448

On January 22 about 250,000 dedicated Christians once again went to Washington DC to pray on the steps of the Supreme Court for an end to abortion in America. Since the infamous decisions by the Supreme Court in 1973 that legalized abortion at any time in a woman's pregnancy, fifty million children have been murdered in the United States. As usual, the Knights of Columbus Supreme Council was a sponsor of the event with many councils sending groups to Washington. Over 225 Joliet Catholic pilgrims went to the March with Bishop Sartain.

## PANCAKE FUN IN JANUARY

The council turned out as usual to produce another great pancake breakfast in January. It was Carol Baker's birthday (29), which added to the fun. We all had a good time with the pancake crew producing another wonderful meal and Larry Jourdan running around recruiting new members (3?). Teen volunteers helped serve and waited on tables. Council members socialized with fellow parishioners as well as with each other to produce a great event.

### PRAYER TO THE KNIGHTS OF COLUMBUS MEXICAN MARTYRS

Almighty God, the martyrdom of Saint Mateo Correa Magallanes and his priest companions who were Knights of Columbus reveals that violence and hatred are only overcome by the spirit of peace and charity; and it manifests your love for the nation of the Guadalupeana. These brother Knights live on in our minds and hearts for, as they sacrificed their lives for the sake of the Gospel, they witnessed that your love is eternal and your truth can never be compromised. Let their death-cry of fidelity to Jesus Christ encourage us to be courageous in faith and to remain loyal Knights of Columbus.

We make our prayer through Christ our Lord.  
Amen.

# SAINTS AND KNIGHTS OF COLUMBUS

In 1909 the "Socialist Workers Party" took power in Mexico. For the next twenty years, Catholics were persecuted by the Mexican state. Thousands of dedicated Catholic men were shot or imprisoned for standing up for the faith, particularly after the 1917 Bolshevik revolution in Russia when the Mexican rulers renamed their party "Communist". Many of those killed were Knights of Columbus. Among the knights were six priests and one Bishop recognized by the Church as having lived lives of heroic virtue. The six priests shown in the image at left were martyred for their faith and were canonized by Pope John Paul II in 2000. Their loyalty to Christ and His Church is a heroic example for us all

Bishop Guizar Valencia had to go underground in 1910 and then fled Mexico in 1915 because he was under the death penalty due to his strong defense of the faith. He was permitted to return in 1920 and joined the Knights of Columbus in 1923. He founded an underground seminary in Mexico and was known as the "Bishop of the Poor". Saint Bishop Guizar Valencia was canonized by Pope Benedict XVI in 2006.

The official persecution of the Church in Mexico ended in 1929 but many laws restricting both human rights and the activities of the Church remain in effect and still damage society there.

# WHY DOES THE ORDER HAVE INSURANCE?

The Order of the Knights of Columbus was founded at a time when there was no such thing as a “Social Safety Net”. Families depended on each other for everything. If a man was seriously injured or died, his wife and children were usually destitute. The difficulty of life for widows and their children caused the formation of various orders of men such as the Moose and Elks. Some groups were basically drinking clubs while others subscribed to non Christian belief systems but all had a function of taking care of the helpless. It was in this climate that our founder, Father Michael J. McGivney, determined that there should be a group of Catholic men who would remain loyal to the Faith, who would defend the Church and who would also take care of the helpless. It is correct to tell others that the Knights of Columbus is a fraternal organization similar to the Moose or the Elks and that we are not officially affiliated with the Church.

From its beginnings 127 years ago, the insurance program of the Knights of Columbus has grown and become one of the best programs in the world. While the Knights were providing insurance for members, other insurance programs and plans multiplied so that what was once a very special thing—Knights of Columbus Insurance—now looks like a lot of other plans. The biggest difference remaining is that the profit from our Knights of Columbus insurance goes to charitable causes while the profits from other insurance companies go to the company share holders. It’s a very good program and worth a look.

## PLANNING YOUR RETIREMENT?

This month’s column is for the baby boomers. Do you know what that is sneaking up on you? Retirement! Ouch. It’s hard to believe isn’t it? Seems like just yesterday...

But it’s coming - and coming fast. And that’s actually the good news.

Let me share with you some tidbits that may be of interest:

“The trend by companies to freeze or end their employee pension plans may have a big impact on baby boomers now on the cusp of retirement.

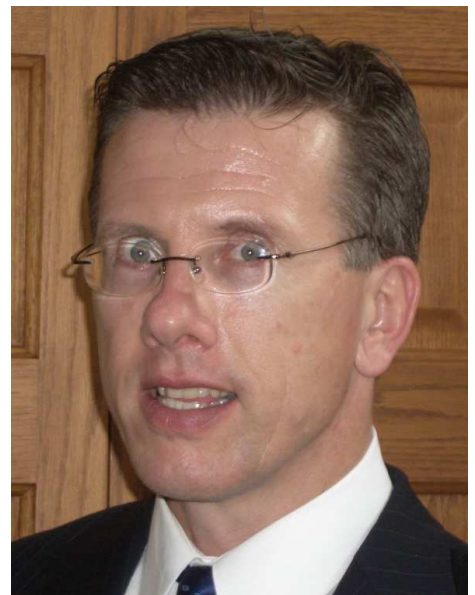

Boomers with pension plans have counted on monthly retirement checks at the end of their career, but increasing numbers of employers are ending their plans or halting future benefit accruals. Those at greatest risk include boomers in their late 40s and early 50s who are still at least a decade from retirement but too old to save enough to make up the difference in their pension benefits.

An August, 2005 survey by PricewaterhouseCoopers showed that nearly half of companies that expected to change their pension plans in the next year were considering freezing benefits for all employees. More than a third that offered pensions have already pared back these benefits over the last three years.

“This will definitely be a problem for baby boomers,” says Karen Friedman at the Pension Rights Center. “You’ve been at a company under the plan and worked for years with that expectation, and then it’s taken away.”
